BUSINESS OF THE WEEK

Little Falls Crafters Market

Little Falls Crafters Market is located at 83 Queen Street East in St. Marys and it was started by Eden Houser on July 12, 2007. This is the start of her ninth year in business. Eden submitted the following business profile.

"I opened the store in July 2007 because I no longer wanted to do craft shows but thought there could be a niche for hand made articles. I didn't do any marketing studies or business plan, just talked to my husband and told him what I had in mind. So, with help, we cleaned and painted in the evenings and opened in three weeks with 12 contributors. There are now 200 active hobbyists doing what they enjoy doing and, instead of giving all their products away, can sell them, and at least recover some of the cost of supplies. Our woodworkers are amazing, whether it's wood turning, carving or hammering. Our knitters and crocheters

do fantastic creations for babies and adults. Our jewellery people do everything from basic earrings to bead weaving pieces at great prices. We do have some artists, and welcome any that come in, but I do let them know there is an art community in St. Marys which they may be interested in joining. You can also find pottery and ceramics on our shelves along with painted glassware.

Our baby and children's clothing is always available at reasonable prices and does not shrink or fall apart after washing. I am trying to keep a selection of larger size nightgowns available since they are in demand all year. And, last but not least, our doll clothes and accessories are doing extremely well. We are dressing all the current brands of dolls, and if someone talks about

an older doll they would like to dress I ask them to bring it in so we can do a proper fit. I also encourage the children to bring their dolls so they can try before they buy. Gift certificates are available if you aren't sure what to get for that special someone." For more information, call 519-284-0433 or visit their website at LittleFallsCraftersMarket.com

OUR DELIVERY STANDARDS

It is our goal to deliver the St. Marys Independent Newspaper to every home in St. Marys, and to deliver it right to your door. Your Independent newspaper should be placed inside your mailbox (if you have one), or otherwise placed securely near your front door where it won't get blown away by the wind or dampened by the rain. Our newspaper deliverers work hard to bring you the newspapers throughout the year, so please give them thanks when you see them. If you live in St. Marys and aren't receiving the newspaper or have a suggestion on delivery, please let us know by emailing info@stmarysindependent.com or drop a note off to our offices at 36 Water Street.
