BUSINESS OF THE WEEK

The Parkview Creamery Bar & Grill

Our Business of the week this week is the Parkview Creamery Bar and Grill, located on Parkview Drive in St. Marys. It's been a destination for food, drinks and good times for people in the area for over 30 years, but the building itself has a lot more history than that.

The building the restaurant is located in was first built as a planing mill in the 1860s. It was converted into a Creamery in 1915, before serving as a garden centre for about 10 years in the 1970s, and finally becoming a restaurant

and bar in August 1982. Current general manager Joe Robson and his father Jim took over ownership of the Creamery in May 2007.

"Our main goal was to turn it from a roadhouse-style bar to a family restaurant and we feel we have achieved that," said Joe. The Creamery offers a full menu ranging from soups, salads and appetizers to sandwiches, burgers and wraps as well as fish, steak, chicken and rib entrees. It also offers a full bar including 12 varieties of beer on tap.

Daily specials through

the week include Seniors Day on Mondays (patrons who are 60 plus get a 15 percent discount on food and non-alcoholic drinks), Wing Night on Tuesdays, Steak and Caesar Salad days on Thursdays, Lake Erie Yellow Perch every Friday night, and Kids day Sundays (kids 12 and under eat free). Also, don't miss out on Trivia night every Monday (excluding holidays) at the Creamery, where each week several dozen competitors come out in teams of up to four to show off their trivia knowledge for a cash prize.

The Creamery's patio seats up to 60, but get there fast as it's shutting down for the season later this month. It's also a home to live music, so check in with the Parkview Creamery on Facebook to find out who they've got lined up to perform at their Halloween party. To book a large group or private party, call 519-284-1110. Hours are 11 am to 8 pm Sundays and Mondays, 11 am to 9 pm Wednesdays and Thursdays, and 11 am to 10 pm Tuesdays, Fridays and Saturdays.
