Business of the Week

Matt Langford Insurance

By Stewart Grant

Our Business of the Week is Matt Langford Insurance Agency, a family-owned insurance agency serving Thorndale and the surrounding area since 2007. Both Matt and his wife Laura are licensed insurance agents, with Laura joining the business in 2012. They both work out of their retail office location at 194 King Street in downtown Thorndale, just east of the Bank of Montreal. Matt and his wife Laura are agents for Heartland Farm Mutual, which was formed upon the merger of Oxford Mutual Insurance Company and North Waterloo Farmers Mutual Insurance Company. Both Oxford and North Waterloo have been serving southwestern Ontario policyholders since the 1870's. Matt noted that the merger of the two companies strengthened their position in the evolving marketplace,

and that the core rural values of each entity has made for a smooth partnership. Among the traditional benefits that arise from a mutual insurance company, Matt remarked that his clients really appreciate the excellent claim service that Heartland is known for.

Heartland is committed to community giving through the annual iHeart Community Grant. "This year, we presented the Thames Centre Volunteer Fire Department with a cheque to cover the costs of a fire extinguisher for each of their personal vehicles," said Laura Langford.

Langford Insurance, together with Heartland, provides competitively-priced insurance coverage for a variety of needs such as farm, rural, agribusiness and commercial. Langford's office hours are 9:30 a.m. to 4:00 p.m., however Matt takes great pride in being flexible to fit

the busy schedules of his clients wherever is most convenient: "My cell phone is always on and I'm equally comfortable meeting at your boardroom table or your kitchen table", says Matt.

To contact Matt Langford Insurance, give them a call at 519-

461-9408, stop by their downtown Thorndale office, or email matt@mattlangfordinsurance.com. For more information, please visit www.heartlandfarmmutual.com/matt-langford.
