BUSINESS OF THE WEEK

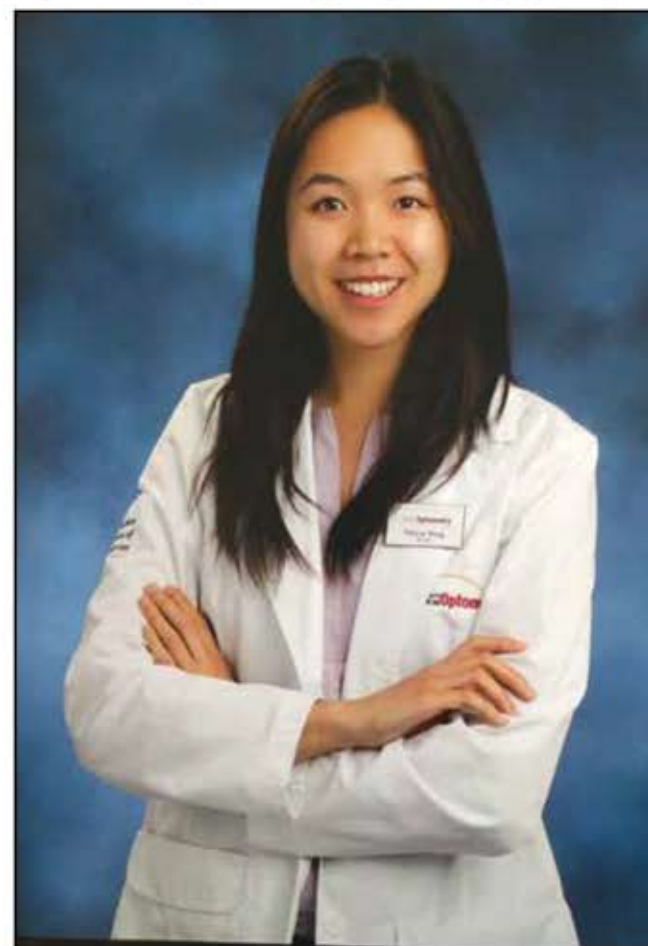

Dr. Felica Yong - Lifetime Vision Care

Dr. Shannon Glitz and staff at Lifetime Vision Care are excited to announce the addition of a new associate optometrist, Dr. Felica Yong. Dr. Glitz, Dr. Bayona and Dr. Andrews are very happy to have Dr. Yong join their amazing team.

Dr. Yong is excited to be sharing her passion for eye care with the patients of Lifetime Vision Care. She received her Bachelor of Science and Doctor of Optometry degree with honors from the University of Waterloo in 2018. During her training, she completed an externship at OMNI Eye Services in Atlanta, Georgia where she had the opportunity to enrich her knowledge in ocular disease and to observe different laser and surgical procedures.

In her free time, Dr. Yong enjoys swimming, sitting down with a good book and trying new foods. She also hopes to continue volunteering on mission trips after her mission trip to Peru in 2016. Dr. Yong is fluent in Cantonese and Mandarin.

Dr. Yong will be starting September 4, 2018 and is happily accepting new patients. She will be offering daytime, evening and Saturday appointment spots. Please call Lifetime Vision Care at 519-284-1540 to schedule your appointment with Dr. Yong today.
