

BUSINESS OF THE WEEK

Wyrwood Tattoo

By Holly Juurlink

This week we are featuring Siobhan Brogan "Billy Knives" and Jacob Harrush and their business "Wyrwood Tattoo" which is located at 167 Queen Street, tucked in between TD Bank and Peak Realty.

Wyrwood Tattoo is best known for quality tattoos but with Siobhan and Jacob's artistic backgrounds, they will also soon be offering accessories such as cool "gothic" inspired pins, glass pieces, second hand oddities and alternative style clothing. They also currently offer body jewelry.

When asked about St. Marys and how they got settled here, Jacob stated, "It was all started on the idea that we wanted a place where she could tattoo out of and where I can better my trade and be a part of a community."

"I have always loved St. Marys," added Siobhan. "My grandmother lived near Stratford and ever since I was a little kid we used to come here all the time."

The shop has been open since Oc-

tober and had a Halloween opening.

The shop prides itself on a clean and comfortable environment. As well, The Wyrwood has a warm and inviting feeling to it compared to some of the more traditional shops that I've been to in the past.

When visiting the shop, take a moment to enjoy the different art pieces on the walls which showcase the art of "Billy Knives" and other local artists.

Wyrwood's hours are Wednesday to Saturday, from noon till 6:00 pm. For a tattoo, it is recommended to schedule an appointment. However, walk-in traffic is welcome to drop by to visit the shop, ask questions or plan a tattoo booking. It is also possible to do a quick walk-in tattoo as well.

To reach The Wyrwood, phone 226-661-2020, email wyrwood-booking@gmail.com or stop by the shop during business hours. For additional information, check out their Instagram account @the-wyrwood or find the "The Wyrwood" on Facebook.
