

BUSINESS OF THE WEEK

Aunt Millie's Kitchen

By Holly Juurlink

This week we are featuring Cindy McClory and her business "Aunt Millie's Kitchen" which is located at 13 Water St in St. Mary's.

Aunt Millie's Kitchen is well known for homemade soups, soup kits, cheese, chili kits, jams, jellies, gift baskets and more! The motto of the store is "we make homemade easy" and that is definitely shown with the easy-to-make soup kits and other kits that are all homemade for people to buy and enjoy.

The main idea for the food kits was to make it easier for people to make quality meals. "The kits are great for families, older people and people in a rush." Cindy stated.

Cindy started with the store "Emporium" on Queen St. but ended up closing it to pursue her love for making soups and homemade meals instead.

Aunt Millie's also offers fresh soups on Thursdays, Fridays and Saturdays.

Cindy lives in St. Mary's so it is nice for her to "roll down the hill to work." She also said "Our little soup world here will draw people to the communi-

ty," when asked about her business.

Currently, Cindy has realized the great need for gluten free options and is currently working on recreating a lot of her soups and other kits so people that are gluten free can be included as well. Soon Aunt Millie's Kitchen will have a lot of gluten free options.

Aunt Millie's Kitchen has a very "homey" and comfortable environment to offer customers that is also reflected in the food.

Expect to see Aunt Millie's Kitchen at the Farmer's Market this summer!

Aunt Millie's Kitchen's hours are: closed Sunday, open Mondays, Tuesdays, Wednesdays (by chance), she will likely be in the back so "if the light is on and the door is open, so is she." Thursdays and Fridays the store is open 9:30am-5:00pm, and Saturdays it is open 10:00am-3:00pm.

To reach Aunt Millie's Kitchen call (519) 902-4861, email auntmillieskitchen@gmail.com, visit her website auntmillieskitchen.com, check her Facebook account under "Aunt Millie's", or stop by the store during business hours.
