

BUSINESS OF THE WEEK

Snapping Turtle Coffee Roasters

By Stewart Grant

Our featured business this week is Snapping Turtle Coffee Roasters, located at 145 Queen Street East in downtown St. Marys.

Since opening on May 27, 2017 as a small coffee roastery and retail store with a mini take-out menu, the business has expanded little by little over the first two years, adding more products to the shelves. Owner Emily Lagace is an SCA (Specialty Coffee Association) certified roaster and roasts all the coffee herself right on-site, using coffee beans purchased direct-trade from Guatemala.

This Saturday, May 25th, from 8:00 a.m. to 5:00 p.m., Emily and husband Kevin Lagace are thrilled to host the Grand Opening of their cafe expansion, which fills the space immediately east of the business' original location.

Along with doubling the space of the store location, the cafe will have a greatly expanded beverage menu, including espresso drinks along with seating for about 30 people. The cafe will be open

Tuesdays through Saturdays, with extended hours to include Thursday and Friday evenings until 9:30 p.m. In addition, live music performances will be announced as the season changes to summer.

As is the case with Snapping Turtle's original retail space, the new area offers a creative and welcoming decor, thanks to the contributions of friends Mandy Verge and Matt Brenner. It will certainly be a popular place to linger and visit while enjoying a relaxing beverage.

The introduction of the new cafe comes as Emily and Kevin mark the two-year anniversary of Snapping Turtle's opening. Earlier this month, the business was honoured with the Entrepreneur Award at the Stratford & District Chamber of Commerce Business Excellence Awards.
